

Jean Monnet Activities are designed to promote excellence in teaching and research in the field of European Union studies worldwide. The activities also foster the dialogue between the academic world and policy-makers, in particular with the aim of enhancing governance of EU policies.

What types of activities are supported?

- **Teaching and Research:** Jean Monnet Modules, Chairs and Centres of Excellence.
- **Support to Associations:** Jean Monnet support to Associations.
- **Policy debate with the Academic World:** Jean Monnet Networks and Jean Monnet Projects.

Jean Omer Marie Gabriel Monnet (9 November 1888 – 16 March 1979) was a French political economist and diplomat. An influential supporter of European unity, he is considered as one of the founding fathers of the European Union.
